A Heavy Attack of Flu Strikes The Campus

The last part of December and the first week in January found the Infirmary full and overflowing. A bunch of Flu bugs blew in and got started and it took the help of two doctors and an extra nurse and special attention to get the spell broken. None of the cases were severe, all of them running a regular course along a typical pattern, with nausea and fever which kept the patient in from three to five days. Miss Nancy Hoots, the regular nurse in charge of the Infirmary, and Miss Pauline Fletcher, the dietician, together with the big girls who live in the Infirmary, did a magnificent job as they worked long hours during day and night ministering to the sick ones.

Perhaps one of the greatest regrets in connection with the attack of the Flu on the part of the students was it came during the holidays. It is bad to be sick at any time, but to be sick during the holiday season is just about more than a boy or girl can cope with. It is good, however, to be able to report that at the present time the matter is cleared up and we seem to be through with the siege entirely.

In this picture can be seen the progress that is being made on the new church building. The pile of dirt in the front of the building shows that the steam line is being put in under ground. The month of January should find the heat installed and in operation. While the plasterers are busy putting on the first coat of plaster, the carpenters and roofing men are completing the tower and roof. It is planned to occupy the building for services in the early part of the summer.

Dental Committee Reviews Program

The Steering Committee of the dentists composed of Dr. Ralph Coffey of Morganton, Dr. Sam Steelman of Lincolnton, and Dr. Frank Kirk of Salisbury met at the Home to review the dental program which has been in progress for two years. This program was begun when the Presbyterian dentists near Barium Springs became interested in the work and were instrumental in establishing a room in the infirmary for operating and recommended Dr. Smith Kirk of Salisbury for a two-day a week program. The Committee expresses satisfaction in the progress that has been made and great confidence in the quality of work done by Dr. Smith Kirk. A summary prepared by the dentists is given below:

Appointments	1226
Surfaces - amalgam	2011
Surfaces - silicate and zinc	167
Students teeth cleaned	171
X-rays	256
Extractions - permanent	115
Extractions - deciduous	61
Crowns - full	6
Partial Dentures - Chrome Cobalt	10
Inlays	1
Impacted teeth	4
Bridge Fixture	1
Total Surfaces restored	2178

This excellent dental program has been carried on because of the genuine interest on the part of the men who

Varsity And Junior Basketball Underway

January and February are basketball months. The varsity teams are in competition in the South Piedmont Conference, having finished their pre-Christmas practice session. As these teams swing into the round of fourteen games, the members of the Junior varsity get their practice sessions started. Those who began in the early sessions for practice and were unable to meet the tests for varsity competition now have the opportunity to get further training and experience as they play Junior varsity ball in the games that will be scheduled.

In the opening rounds of the conference schedule the girls have tucked away a couple of wins, a close one over Asheboro by one point and a second one over Spencer. The boys ran into a strong quintette in the Asheboro contest but came back home to take over the Spencer squad in a very fine game. Coach A. M. Calhoun says that he has some very good prospects within his squads this year but he recognizes the need for a great deal more polish and experience on the part of the younger members.

Thomasson Comes To Truck Farm

The year 1955 holds in store a larger quantity and a greater variety of vegetables for the table and for storing. This work will be under the supervision of Mr. Luther Q. Thomasson who has been secured to supervise the truck farming program of the Home. Mr. Thomasson comes from Elkin, N. C. and is well qualified by childhood experience and educational training for this field. He was reared on a farm in a large family of children. After high school he took up his studies at N. C. State College and dividing this with a term of service for Uncle Sam, he completed his course and comes highly recommended by the departments of State College.

The Thomasson's are five in number. Mrs. Thomasson is a native of Virginia. The three children will find many new playmates and will soon be a regular part of the life of the community.

THANK YOU

The Christmas season in 1954 was a wonderful time at Barium. All during the month of December, Circles, Sunday School Classes, Young People's Groups, individuals and relatives of the children at Barium had been busy sending to Miss Carpenter the packages for the boys and girls. No one was overlooked - everyone was bountifully supplied.

It is inspiring indeed to behold the goodness of people and to see their continued interest in boys and girls. From the big family of the Synod there came special cakes for Christmas, Christmas ice cream for the Family Night, fruit, nuts, candy and chewing gum, baby dolls, doll clothes and beds, cap pistols and pop-guns, cowboy suits, football suits, basketballs, watches, skates, bracelets, necklaces, sport coats, sport shirts, skirts, sweaters, blouses, toppers and jackets, books and Bibles and personal things — and more and more and more.

Thank-you notes have been written and are still being written. The real purpose of this paragraph is to say thank you to the hundreds and hundreds of people who sent the Christmas packages or money to this Home to make Christmas happy for everybody at Barium Springs. If any oversight has occurred, please drop a note to the office and afford us an opportunity for the correction to be made.

UNDER THE STEEPLE – Nuggets of News

From Little Joe's Church

By

ROBERT R. COLLINS, *Minister*

"Christmas Is For Remembering" was the title of our annual Christmas pageant on the Wednesday before the Saviour's birthday. There were about twenty of our young people in the cast plus our choir group. All worked with earnestness and devotion to present a program that set the spiritual tone for the week as we approached the great Day.

The thrill of Christmas morning was shared by both young and old alike. Remembering that the true meaning of Christmas is found in the gift of God's Son to a lost world, we of Little Joe's started our day with a service of worship in the sanctuary of the church. Having thanked God for His goodness to us we were then prepared to receive the other gifts of the day with proper gratitude and understanding.

The whole of the Christmas season was filled with activities that made us aware anew of God's great mercy toward all His children. As the Senior High Fellowship group visited cottages on the campus and throughout the community singing the ever lovely Christmas carols, we discovered a deeper meaning in the words, "Joy To The World, The Lord Is Come."

One of the highlights of December was a visit on the 19th from the Senior High Fellowship of the First Church, Kannapolis. After their presentation of a most meaningful Christmas play all of our young people visited the Quads where the boys had us as their guests for "Open House". Good Christian fellowship and delicious food made the occasion one we shall long remember.

The warm days that brought in the New Year gave opportunity for some real progress on the new church. Elsewhere in this issue of the Messenger you will read about and see the picture of the beauty of this building being erected to the glory of God. Only last evening this writer visited one of the Civic groups in Statesville and had a large number of people to comment on the impressive view one gets of the church as you approach our campus going North on the Charlotte highway. And from every direction the towering steeple is visible, causing the eye to lift heaven-ward and to be reminded that "every good endowment and every perfect gift is from above, coming down from the Father of lights, with whom there is no variation or shadow due to change."

So we at Little Joe's Church enter 1955 with humility and thankfulness for the blessings of God in the year gone by. With the remembrance of the real messages of Christmas still glowing within, we are filled with hope as we move into the New Year with Him who is "The Prince of Peace" and "The Light of the World."

COTTAGE NEWS

Quad's News

It is cold here, but it will not snow. If any of you have more snow than you need, please send us some. The boys are about to go mad because they cannot throw snowballs at the girls. You see, we need some snow so that the girls won't think that we are getting softhearted.

There is an old saying "if you want something done, do it yourself", well, that is what the boys did. After trying for a good many years to get the furniture reconditioned, we finally broke down and did it ourselves. Everything looks 100% better. Some of the boys are still sore from the work, it is the first that they have done since last summer.

Report cards came out yesterday. I do not know how many of our boys were lucky enough to make the honor roll, but I do know one name on the list, yours truly. Pluck.

For Christmas, Mr. Stowe gave the boys a comb and brush set, and the girls a diary.. The boys don't know how to use a comb, however, I think they are planning to make a raid on Woman's Building once a month, to keep up with the local lovers and to get the latest news from the diarys.

By the way, I want to thank whoever it was that sent me the baby doll for Christmas, its the first girl I have had that won't talk back to me.

—Lee Roy Norman.

Rumple Hall

Hi Folks,

We the Rumple Hall girls had a real merry Christmas and hope that everyone else did. We got real nice things. We took turns opening our presents and everyone enjoyed doing it that way. Mr. Stowe came on Christmas eve and brought a magician. We enjoyed him very much.

Many of the people had the flu but, they are well now.

We got our report cards on the 13th of January. Six people at Rumple Hall made the honorroll. They are: Sue Moore, Faye Hicks, Judy Taylor, Lillian Baucom.

Synods News

Hello Friends,

Here we are back w ith a little more news on what's going on in our cottage. We got reportcards today, and we had nine boys on the honor roll. They were Clyde Mace, Larry Wilkins, Bobby Grier, Tommy Bush, Dwight Lefler, Kenneth Utsman, Charles Allen, Billy Finley, Richard Hicks, and our big girl, Peggy Jean Sellers. We were all very proud of them. We went to see our first conference basketball game Tuesday night and was it exciting! We won both games. Miss Winnie certainly didn't have any trouble getting us to bed when we got home. It was so late we were asleep about ten minutes after we got in. This week we got two new boys from Durham, N. C. There names are Mike and Terry Roderick. We all like them very much. Well guess that is all the news until next time.

—The Wigglers

Annie Louise

We hope the New Year has brought you many happy days, and we hope it is a very prosperous New Year.

We all hope that Santa Claus was good to you and brought you what you wanted. We are very thankful for all the nice things we got. You would think we had a department store because of all the toys. Eleven of us got cowgirl suits, which we have a lot of fun wearing and using our guns to shoot each other. Seven of our girls didn't get one and they just stand around with their mouths hanging open watching us play and wishing they had one. Who bids! Sizes 6, 10, 6, 10, 10, 12, 12.

We have started going back to school although we haven't got used to it after the two weeks vacaion.

We got our report cards this week and it showed that we had a vacation and forgot a lot because just nine girls made the honor roll. Arithmetic kept many of the fourth graders off.

We went to see "So Deep In My Heart" which we all loved because of the dancing and singing. We are now looking forward to seeing "Three Ring Circus."

We would like very much for you to come and visit us.

ALUMNI NEWS

—Mrs. James Lewis (Edith Powell) of Mooresville, and Mrs. J. W. Alexander (Melva Powell) of Raleigh, were visitors on the campus.

—Albert Williams spent his leave at Barium. He is stationed in New Mexico.

Seniors Take Guidance Tests

The senior class of the high school has arranged for a visit to Flora Macdonald College to share in the Vocational Guidance Clinic under the direction of Mr. Decker. The group will leave Barium Springs early in the morning, arriving at Red Springs in time to spend the afternoon in tests which will continue into the morning of the next day. The group will then return to the campus at Barium Springs in the afternoon of the second day.

Keen interest has been manifested by the group which is to take these tests and members of the staff are very anxious to secure additional help in properly counseling the boys and girls who graduate as to the field in which they are best fitted to serve.

Three More Children Join The Family

"Where is the farm?" cried the little fellow as he crawled out of the back seat of the automobile. Mike and Terry have been getting ready for many weeks to come to Barium Springs and they have heard a great deal about the horses and the farm. Miss Rebekah Carpenter, the case worker, assured them that she would take them right on down to see the farm and let them take a look at the horses.

About six hours later at the basketball game Mike and Terry were having the time of their lives as they joined their own group in cheering for Barium Springs as they won two games that night.

In the morning of the same day a fourteen-year old lad from Fayetteville Presbytery came to join the older boys on the campus and the fellows in the eighth grade. The two little fellows from Orange Presbytery and the older boy will have an opportunity to be cared for and to enjoy the things that makes children happy and enables them to grow strong and sound.

Varsity and Junior February are as follows:

Feb. 1 — Barium at Mills Home
Feb. 4 — Barium .... at Lexington
Feb. 8 — Barium at Thomasville
Feb. 11 — Asheboro at Barium
Feb. 15 — Barium at Statesville
Feb. 18 — Lexington at Barium
Feb. 22 — Barium ..... at Spencer
Feb. 25 — Children's H. at Barium
All games begin at 7 P. M.

This will close the regular season.

An argument is said to be an occasion when two people are trying to get in the last word first.

The only sure way to stop all gambling on horse races would be to put all race horses in jail.

While it is true that a dollar does not go as far as it used to, we've got to admit that it certainly goes while it is going.

A gentleman has been defined as one who gives a woman a head start before racing her for a seat on a bus.

Matrimony is an institution in which a man loses his bachelor's degree and his wife acquires a master's.

We often encounter a fellow who is not afraid to bawl out the President of the United States, but is always polite to a policeman.

When questioned as to how his son was getting along in school, an old mountaineer replied: "Not so good. They're learning him to spell taters with a 'P'."
